Japanese Yew	1.00	2.75
Canadian Hemlock (Maine)	4.50	14.00

All the seeds of our own collection were collected in Maine, as indicated. We expect to have these ready by November 1, for Fall planting if desired.

Most European species will be ready in January, not sooner, as we have none on hand. Probably we will not issue an additional price list in January, as we have formerly done.
